Electives

*Area II: Some upper division major electives are needed to reach the required 48.0 units. Check the major requirement sheet for acceptable courses and choose based on interest.*

The department has a list of courses offered quarter by quarter (available in LSB 3320 and on the following website under Resource Documents: <https://undergrad.biology.ucsb.edu>). Prerequisites are listed in the General Catalog.

Strongly consider MCDB 133L in Spring.
