*Phys 6C-CL

***Physics can be taken any time but we cannot guarantee that these courses will not conflict with upper division MCDB courses.*

YEAR 3:

FALL

MCDB 108A
MCDB 111

WINTER

MCDB 108B
MCDB 101A

SPRING

MCDB 101B
*MCDB 187

YEAR 4:

FALL

MCDB 126-AL

WINTER

MCDB 126B-BL

SPRING

*MCDB 187

Area II: Some upper division major electives are required to reach the required 48 units. Choose electives according to interest and place according to prerequisites and quarter offered. Check the major requirement sheet for acceptable courses.

*MCDB 187 can be taken in Spring Quarter of either your 3rd or 4th year.

The department has a list of courses offered quarter by quarter (available in LSB 3320 and on the following website under Resource Documents: <https://undergrad.biology.ucsb.edu>). Prerequisites are listed in the General Catalog.
